Dear Shannon Park Families,

The HRCE Transportation Team has been working on improving efficiencies in bus routing for the fall of 2024 to ensure that eligible busing students arrive to class on time. To support these improvements, École Shannon Park School bell times will be changing for 2024–2025 school year. École Shannon Park School’s new bell time will **start at 8:20am and ends at 2:10pm**. This bell change will allow us to adopt a more efficient schedule for ideal arrival and departure times for all schools across the region. These changes are necessary to ensure that eligible busing students arrive to class on time, and we maximize our available learning times for all students. Supervision will begin twenty minutes before the instructional start time at 8:00am. If you have any questions, please reach for clarification.

School	Current Instructional Start Time	Current Dismissal Time	New Instructional Start Time	New Dismissal Time
Shannon Park Elementary	8:25am	2:15pm	8:20am	2:10pm
